Thank You for Attending the Michigan Jaguars 2011 - 2012 Tryouts

If your child is selected for a Michigan Jaguars team

Player Registration

As soon as possible please visit the Jaguars website at <http://michiganjaguars.org> and refer to the tab "Player Registration" which will provide you with the guidelines on how to complete/accept your player's selection to the team.

Team Kick Off Meetings

Wednesday June 22 and Thursday June 23

The Jaguars hold team kick off meetings so that the team parents/players can meet with the team coach. Documents are also collected and uniforms can be sized. The exact time of each meeting will be posted online via the Player Registration tab.

Jaguars Uniforms

Team uniform requirements and ordering procedures will be available at the kickoff meeting. Because the sample uniforms for sizing are available at the kick off meeting it is important that the player attend. The jersey, shorts, socks and practice T's are new this year. The warm up and back pack remain the same as last year.

Note

At tryouts players are selected for specific teams but ultimately are chosen to be part of the Michigan Jaguars organization. In the best interest of player development, the coaching staff may adjust player placements if necessary.

Questions

Any questions or concerns regarding the player registration or kick off meeting should be directed to Lisa Thinner, Michigan Jaguars Administrator at MIJaguars@aol.com or 248-374-1993.
